

SAFETY ALERT

Damaged Electrical Equipment

Who needs to read this?

All University staff and students

Background

Information

A heat damaged toaster was found in a kitchen area during a workplace inspection. The toaster was immediately removed from service.

Recommendations

- Ensure equipment is appropriate for the workplace environment and use.
- Always follow the manufacturer's safety instructions when using equipment.
- Damaged or defective equipment should be immediately tagged out of service and/or disposed of.
- Refer to the [Electrical Safety Procedures](#) regarding inspections, testing and tagging requirements.

Who do we call with questions?

If you have any queries, please contact SCC on 9266 2020 or scc@curtin.edu.au.
