Background

Product Safety Recall

ELECTRICAL SAFETY RECALL

iGear.com.au Pty Ltd
Dual USB Wall Charger
Sold by various retailers from November 2014 to 30/11/2018

Identification: Dual USB wall charger Model No. DAS63ZJE

Defect: The two part housing of the wall charger may become separated exposing live electrical components.

Hazard: If live electrical components are exposed, there is risk of electric shock if the exposed components remain in the socket while the power is turned on.

What to do: Consumers should immediately cease using the wall charger and notify iGear by emailing recall@igear.com.au or phone (07) 3354 2458 for a refund or replacement.
