Curtin University Asbestos Removal Permit

Who needs to read this?

All Curtin University Staff and Contractors.

Information

Curtin University has developed an Asbestos Removal Permit which can be found on the [Working with us](#) page.

All asbestos removal works will require a permit application, which is to be reviewed by the Health, Safety and Emergency Management Team prior to approval by the Curtin Responsible Officer.

Any works involving the removal of asbestos can only be undertaken by Licenced contractor/company and one that is registered and pre-qualified to work at Curtin University.

Who do we call with questions?
